Dear Graduates of the Class of 1986:

Congratulations to each and every one of you. You will be facing many challenges in the next few years. It is comforting to know that your training at the Greater New Bedford Regional Vocational Technical High School has prepared you to meet these challenges. The students, staff, and school are recognized as one of the leading educational occupational training centers in the state. Our students are recognized as having positive work attitudes, high technical skill level, and strong academic training.

The students of this year's graduating class have the distinct advantage of having been trained to cope with our ever changing and technical job market. We have trained you to face the many challenges that lie before you and feel secure in knowing you will meet and conquer them.

Miss M. E. Cronin

DIRECTORS

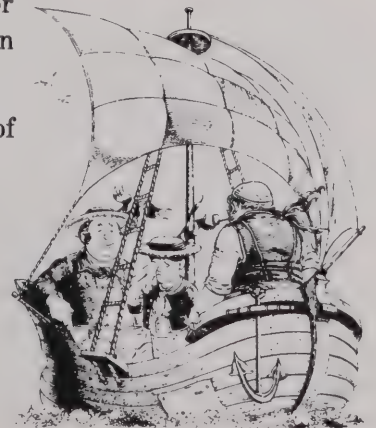

The graduates of 1986 know that, "It is not your aptitude but your attitude that determines your altitude."

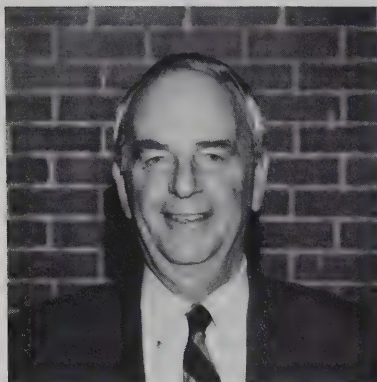

Graduation is not the end of the game but rather a new beginning. It is "First and ten." A new start, a new opportunity to work for another touch down, another score, another Victory. You have all learned to focus on goals and objectives, to dedicate yourselves to earn success, and to discipline your lives to overcome difficulties, disappointments and not give up. The only place that *success* comes before *work* is in the dictionary. Become the *author* of your own *life*. Don't merely report for practice (life), make practice (life) report for you. The difference between *champ* and *chump* is *U*.

May God grant you a life of purpose and service.

Respectfully,
H. Kummer

— DEDICATION —

Mrs. W. Sylvia

Mrs. S. Phillips

It is with a great deal of pride, pleasure, and gratitude that we, the members of the Class of 1986, dedicate "The Mariner" to Mrs. S. Phillips and Mrs. W. Sylvia.

They contributed their time and effort beyond that which was required of them. Dances, bus trips, class activities, fund raisers, and proms were organized and coordinated in order that the students would have warm memories of their school years.

Their hard work, dependability, pleasant manner, and perserverence in a job that is difficult and important has earned them the respect of the students. The Class of 1986 is proud to make this presentation to our class advisors.

As we prepare to leave our school, we look fondly at the memories of the past four years. They have become ours to cherish forever.

Now that the time has come to leave, we realize how much this school has meant to us, the casual acquaintances and permanent friendships.

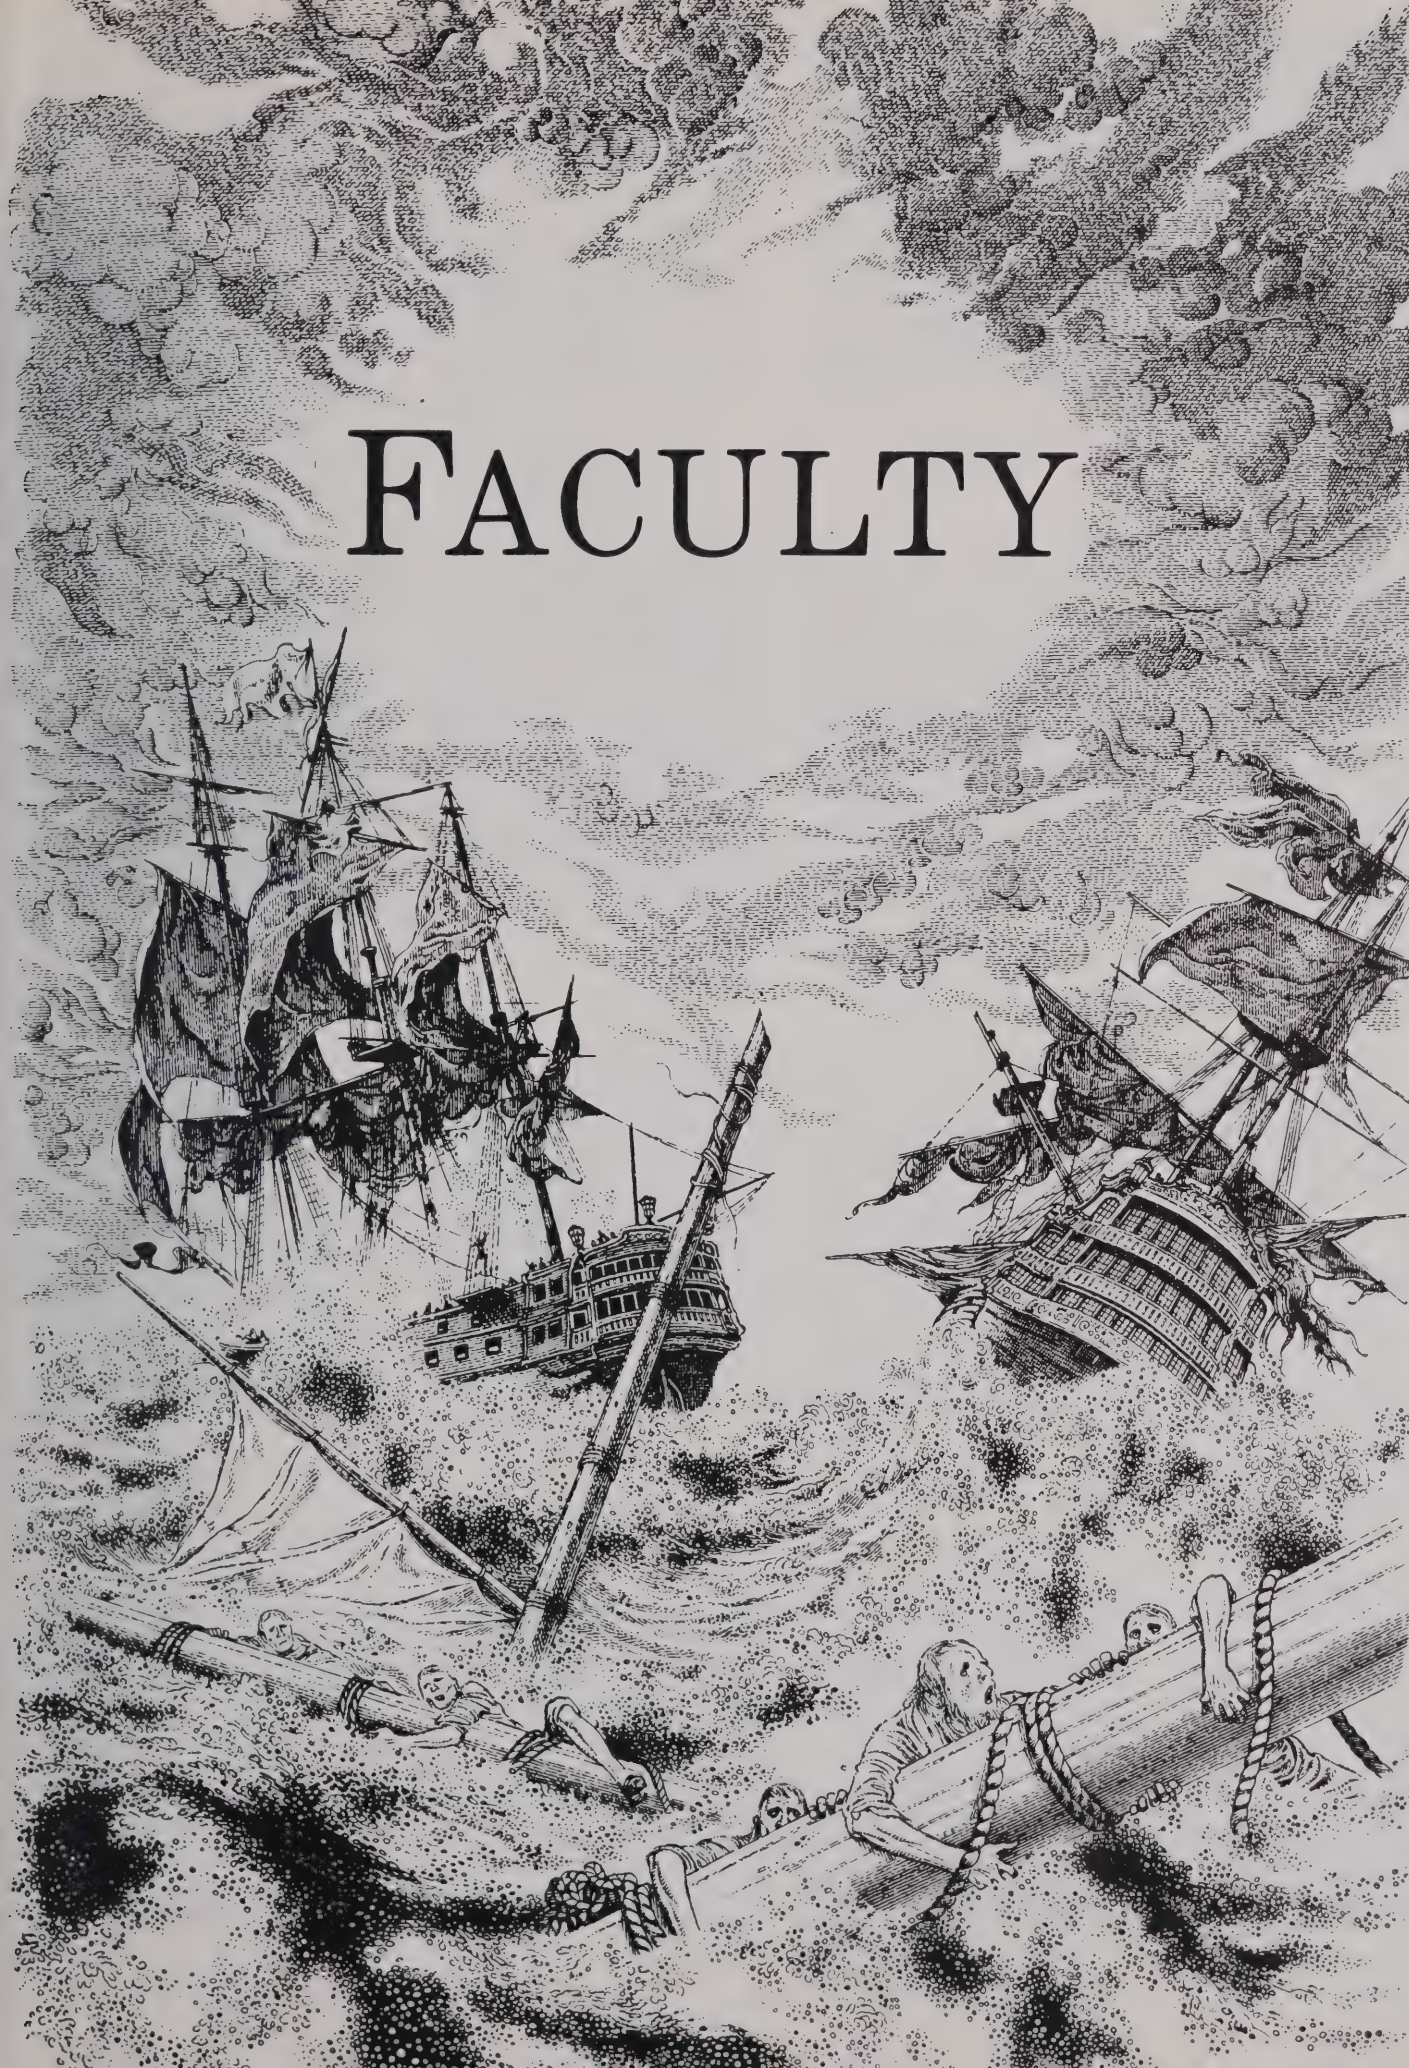

Every moment spent here will be treasured - those of joy and sorrow, those of victory and loss - for these are special memories to be embedded in our hearts forever.

As the final day arrives we, the Class of 1986, lock these memories away and prepare to go forward and face all of life's challenges.

Best wishes to all those who follow
farewell to you our school.

BASEBALL

The team did quite well with only 2 returnees from the previous year. The highlight of the season was beating New Bedford High 9-7.

Ken Rocha and Wayne Darcy led the pitching staff. Gabe Coutinho led the team in hitting with a .305 average.

With only 4 seniors on the team the outlook for 1986 looks quite promising.

GIRLS' SOFTBALL

The team has had many bright moments of play this season despite the inexperience of the younger members of the team. The girls came within 2 runs of beating O.R.R. after leading in the sixth inning. The final was 12-10. Co-Captains Tracey Jagielski and Kim Andrade and company have given the foes something to think about in the next few years. The future of our team is positive and our experience will turn us into tournament contenders in a very short time.

Our infield has been very competitive in all of the games with few errors and good sense of play-making. Pitcher, Tracey Jagielski hurling her best game against Seekonk allowing 3 hits and striking out seven batters made an impressive performance and will be back again on the mound next year as a senior. Catcher, Kim Andrade will be missed next year behind the plate as she is graduating this June. Vicky Swift, (named to coaches All Star Team) who plays anywhere at any time will be back next year. Lori Peloquin, only a freshman, was very impressive on defense and we expect to see more of her talent next year.

Lynne Bouchard, Kelly Costa and Tracy Mosher turned in a fine performance on the infield while Jen Lynch, Kim Agrella, Denise Martin, Kim Viera, and Michelle Garr controlled the outfield.

KELLIE COSTA

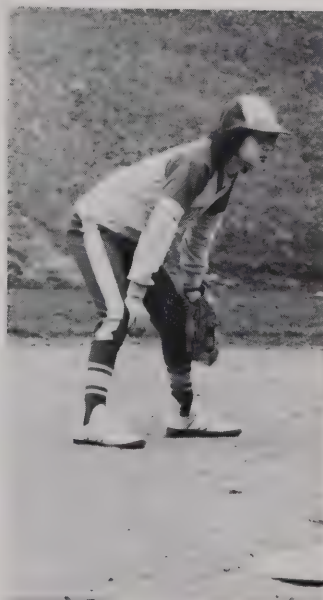

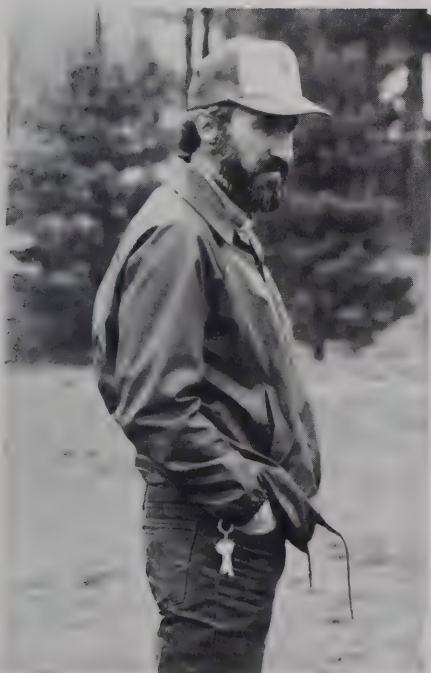

She grew three inches by stopping line drives,
'Twasn't a base runner around that could stay alive,
A lady and a preacher from dusk 'til dawn.
And a stalker and talking when the "heat was on".

TRACEY JAGIELSKI

This young girl has never done wrong,
If you dare accuse her, she'll sing you a song,
She made batters weep from the speed of her throws,
As they swung at air, from their head to their toes.

VIKKI SWIFT

She would hit the ball in every game,
as she would catch the ball pretty much the same,
And coaches could place her at their desire,
Infield, outfield, just a ball of fire.

First row: Craig Moreira, Jim Hebert, Larry Carles, Darren King, Scott Lewis, Bill Westgate, Todd Sylvia.
 Second row: Brian Patnaude, George Ferro, Paul Martins, Marcel Garcia, Al Falcon. Third Row: Coach George

BOYS SPRING TRACK

With many underclassmen, the future looks good for the Boys Spring Track. Some of the point getters for the team were: William Westgate - High Hurdles; Jim Hebert - in the 300 yd. Low Hurdles; Kevin Medeiros - in the High Jump and Pole Vault, and Marcel Garcia - in the Triple Jump.

GIRLS' SPRING TRACK

The outlook for the 1985 Girls' Spring Track team was bright. Injuries and personal problems resulted in a 0-6 record. Although the dual-meet was unsuccessful, there were still individual performances worth noting. Laurie Kehoe and Kris Perry were first place finishers in the divisional meet competing the high jump and javelin respectively. In addition, Laurie Kehoe went on to place 5th in Class A State Meet Competition in the high jump.

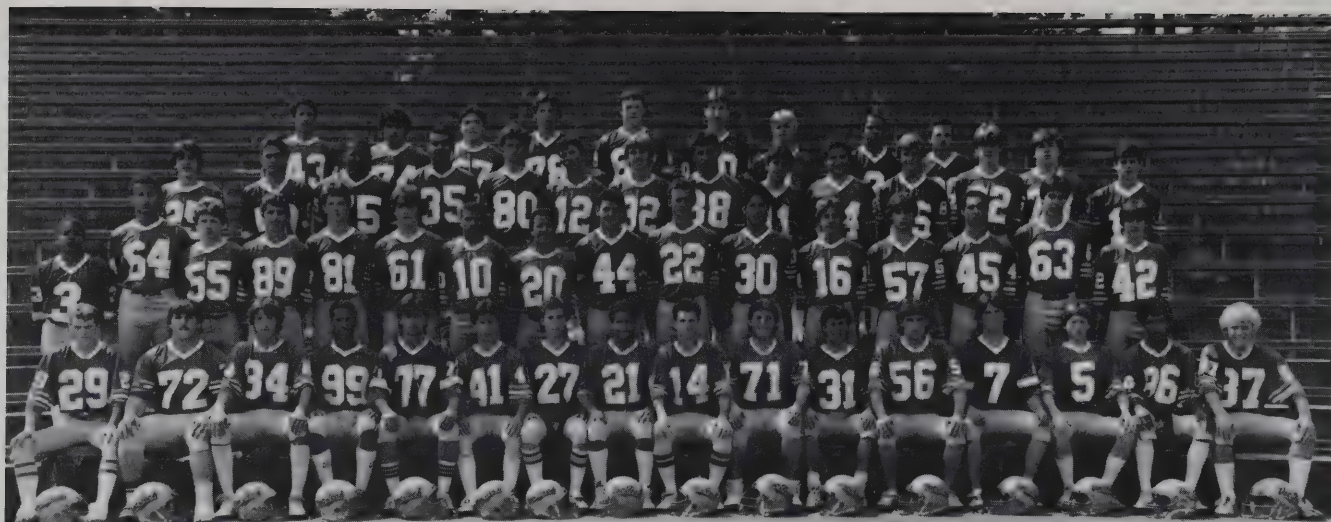

Two other events worth noting during the 1985 season. The addition of Richard Silvia from R&AC as an assistant coach and a 21st place finish by Laurie Kehoe in the Penthalon an all class state meet. This is the 1st time a student from Voc-Tech competed in the Penthalon including the following events; 100 meter low hurdles, long jump, high jump, shot put, and 800 meter run.

FOOTBALL

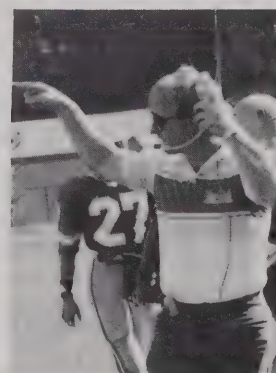

The football team tied for first place in the New South Coast Conference. It was a very successful year with an impressive 7-3 record. The biggest win this year was the come back victory over Wareham High School. At halftime, Voc-Tech was trailing 28-7 and the final score was 45-28. As a junior, Pat Anderson ran over 1,000 yds. and received honors for the following: South Coast Conference All Star; All Standard Times All Star; and Boston Globe Div. IV All Star Team. Senior Larry Abrams was also chosen the South Coast Conference All Star and the Standard Times All Star. Other Conference All Stars were seniors Tom Canastra and Jamie England.

SOCCER

Overall, the 1985 soccer season was a succesful one (13W, 5L, and 1T), even though the team lacked the bench depth it had previously enjoyed during the 1984 - 1985 season.

As experienced in previous years, the 1985 soccer season was no exception to the loss of talented players due to work. Such losses diminished the overall potential of the squad.

Although lacking in depth, talent was most definitely an integral part of the team clearly stating to other teams, including those in Division I, that Voke Tech's Varsity Soccer Team would be a competitive force they would have to deal with.

Even though Voke played an independent schedule, the team managed to equal last year's record by qualifying to the Division I State Soccer Tournament.

Seniors George Amaral, John Lima, Joe DeFreitas, Pedro Ferreira, Carlos DePina, Brian Rebello, David DeSousa, and Frank Cunha will be lost to graduation. In short, the team will be depleted of much of its talent, but it should be replenished by upcoming J.V. players who have demonstrated good soccer talent.

VOLLEYBALL

Due to the lack of players, skilled players, and an overall inexperience in playing volleyball contributed to a disappointing season. The team was led by captains Vikki Swift and Tracey Jagielski. The team is only losing two players to graduation. The outlook for the team is very good for next year. The returning players must improve their overall playing skills to their record.

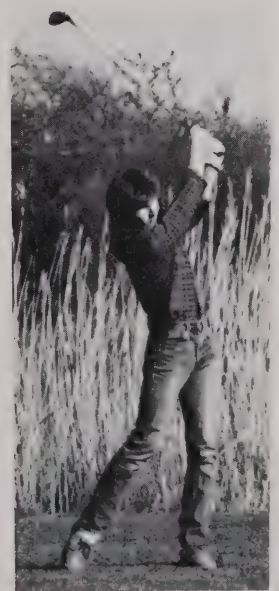

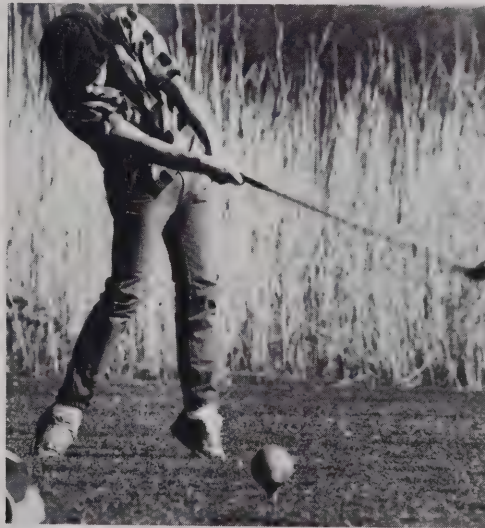

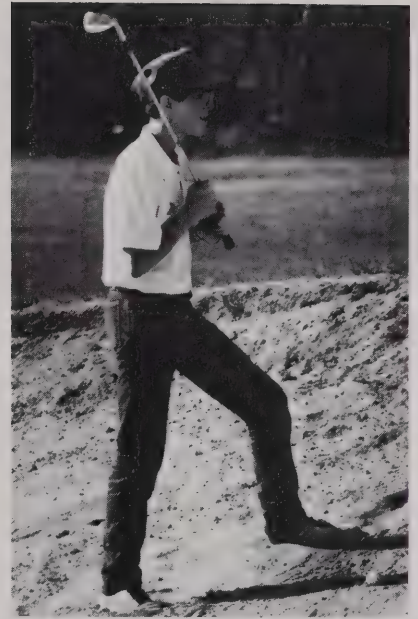

Mike Morrissey, David Dube, Capt. Craig Crompton, Coach Ernest Wetzel, Craig Jackson, Steve Clements, and Darren Hickey.

The golf team's overall record was three wins and fourteen losses. Craig Crompton shot a one under par 35 against Wareham. He also shot two 39's during other matches. Craig was selected to the Division II All Star Team and the Standard - Times All Star Team. David Dube was the most improved golfer on the school team. Freshman Darren Hickey has shown some real promise, I expect he will be greatly improved for next year's matches.

WINTER TRACK

This year has been a successful year for the Winter Track team. With two meets to go in the year, our record is 2 wins and 2 loses with the possibility of winning our last two meets. Our loses were to Apponquet and Seekonk, two very strong teams. Our two victories were Fairhaven and Old Rochester. Our strengths were Joe Pemberton, Scott Gomes, Jim Hubert, Marcel Garcia, Bob Hamel in the sprints; Kevin Medeiros in the high jump and hurdles; Jim Kelley, Bob Cabral, Steve Dawson, Larry Langlois in the middle distance; and Shannon Sylvia in the distance; Kevin Clapp, Randy Blouin, and Todd Sylvia in the distance; Bill Stolmeier, Doug Medeiros, Dave Pinto, and Shawn Thomas led our team in the shot put.

BASKETBALL

The 1985-86 edition of Voc-Tech basketball added more fuel to the fire of future greatness. Led by tri-captains Paul Corchado, Craig Crompton and Peter Medeiros. The Bears continued to improve with each game and area coaches have been put on notice that the year of the "Green Wave" is rapidly approaching. With a strong nucleus returning to do battle next season, the promise of future greatness and the elusive winning season seems more definite than ever.

When the Bears take to the court next season, several lettermen will be sorely missed. We extend our gratitude to Paul Corchado, Craig Crompton, Peter Medeiros, Bob Viera, Scott Robichaud, Bob Hibbs, and Guy Cleaves. We also wish them success in all their future endeavors.

GIRLS' BASKETBALL

Season Record: League 3-13, Overall 5-13.

Despite having a losing season the girls played very well this season. They lost 8 games this year by 10 points or less. Kelli Rozario, a senior, was unanimously voted to the league All Star Team for the third year in a row.

Front row: Shane Ruel, Derek Santos, Mike Hathaway, Derek King, Mike Correia, T. J. Sears, Rick Oliveira, Jeff Becotte.

HOCKEY

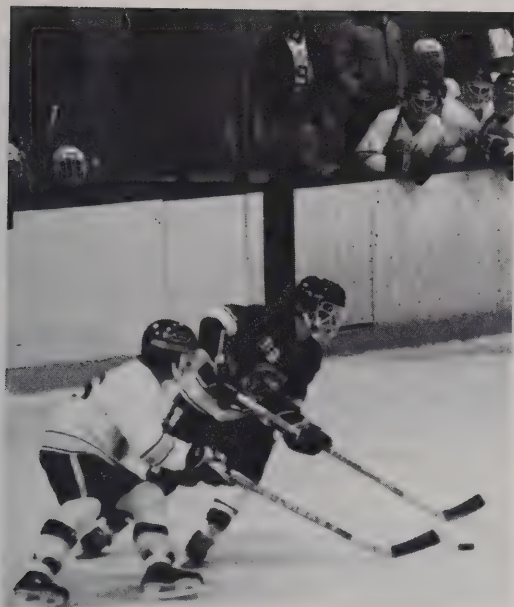

The 1985-86 season was the first season in the South Coast Conference. This conference proved to be very competitive with many close games. Unfortunately there were several key injuries which kept the team from having a winning season. The team exhibited a very positive attitude throughout some trying times. We will return several players next year on which to build the team. Seniors this year were Frank Cunha, T.J. Sears, Brian Rebello, Barrin Soares, Dave DeSousa, Dan Tisdelle, and Randy Oliveira.
